19 (1) To ensure the public health purpose of access to pharmaceutical services in the coal-

21 underserved for pharmaceutical services due to a shortage of pharmacists in the
22 Commonwealth, the General Assembly hereby establishes a coal county scholarship
23 program to provide eligible Kentucky students the opportunity to attend an
24 accredited school of pharmacy or a provisionally accredited school of pharmacy in
25 the Commonwealth, and to become certified pharmacists in the Commonwealth,
26 provided that the scholarship recipient agrees to practice pharmacy in a coal-
27 producing county for each year a scholarship is provided.

- 1 (2) "Coal-producing county" as used in this section has the same meaning as in KRS
2 42.4592(1)(c).
- 3 (3) The authority may award scholarships, to the extent funds are available for that
4 purpose, to any person who:
- 5 (a) Is a Kentucky resident;
- 6 (b) Is considered a permanent resident of a coal-producing county for at least one
7 (1) year immediately preceding July 1 of the academic year in which the
8 scholarship is made for students who first receive a scholarship under this
9 section on or after July 1, 2014;

11 criteria established by the Council on Postsecondary Education for the

18 time because of the disability;
- 19 (e) Agrees to render one (1) year of qualified service in a coal-producing county
20 of the Commonwealth for each year the scholarship was awarded. "Qualified
21 service" means a full-time practice in a coal-producing county of the
22 Commonwealth of Kentucky as a licensed pharmacist for a majority of the
23 calendar year, except that an individual having a disability defined by Title II
24 of the Americans with Disabilities Act, 42 U.S.C. secs. 12131 et seq., whose
25 disability, certified by another licensed physician, prevents him or her from
26 practicing full-time, shall be deemed to perform qualified service by
27 practicing the maximum time permitted by the attending physician, in the

1 coal-producing county; and

2 (f) Agrees to sign a promissory note as evidence of the scholarship awarded and
3 the obligation to repay the scholarship amount or render pharmacy service as

5 (4) (a) Notwithstanding KRS 164.753(3), the amount of the scholarship shall not
6 exceed forty percent (40%) of the approximate average of first professional
7 year in-state tuition for all pharmacy schools in the United States. The
8 authority shall establish, by administrative regulation a procedure for
9 awarding scholarships which shall give preference to students residing in coal-
10 producing counties and which shall establish procedures to award scholarships
11 should funding be insufficient to award scholarships to all eligible students.
12 The authority may also, by administrative regulation, establish scholarship
13 amounts based on demonstration of initial financial need by eligible students.

14 (b) The actual amount of the scholarship awarded to each eligible student by the
15 authority for each semester shall be based on the amount of funds available
16 and the criteria established under paragraph (a) of this subsection.

17 (5) (a) The authority shall require each student receiving a scholarship to execute a
18 promissory note as evidence of the obligation.

19 (b) The recipient shall render one (1) year of qualified service in a coal-producing
20 county for each year the scholarship was awarded. Upon completion of each
21 year of qualified service in a coal-producing county, the authority shall cancel
22 the appropriate number of promissory notes. Promissory notes shall be
23 canceled by qualified service in the order in which the promissory notes were
24 executed. Service credit shall not include residency service.

25 (c) If a recipient fails to complete an eligible program of study, or fails to render

27 liable for the total repayment of the sum of all outstanding promissory notes

1 and accrued interest.

2 (6) Any person who is in default on any obligation to the authority under any program
3 administered by the authority under KRS 164.740 to 164.785 shall not be awarded a
4 scholarship or have a promissory note canceled until all financial obligations to the
5 authority are satisfied, except that ineligibility for this reason may be waived by the
6 authority for cause.

7 (7) A repayment obligation imposed by this section shall not be voidable by reason of
8 the age of the recipient at the time of executing the promissory note.

9 (8) Failure to meet repayment obligations imposed by this section shall be cause for the
10 revocation of the scholarship recipient's license to practice pharmacy, subject to the
11 procedures set forth in KRS Chapter 311.

12 (9) Notwithstanding KRS 164.753(3), the authority shall establish by administrative
13 regulation procedures for the administration of this program, including but not
14 limited to the execution of appropriate contracts and promissory notes, cancellation
15 of obligations, the rate of repayment, and deferment of repayment of outstanding
16 debt.

17 (10) Notwithstanding any other statute to the contrary, the maximum interest rate
18 applicable to repayment of a promissory note under this section shall be twelve
19 percent (12%) per annum, except that if a judgment is rendered to recover payment,
20 the judgment shall bear interest at the rate of five percent (5%) greater than the rate
21 actually charged on the promissory note.

22 (11) (a) The coal county pharmacy scholarship fund is hereby created as a revolving
23 fund in the State Treasury to be administered by the Kentucky Higher
24 Education Assistance Authority for the purpose of providing scholarships to
25 qualifying students studying pharmacy in schools in the Commonwealth.

26 (b) The fund shall consist of amounts transferred from coal severance tax receipts
27 as provided in paragraph (c) of this subsection and any other proceeds from

1 grants, contributions, appropriations, or other moneys made available for the
2 fund.

3 (c) 1. Prior to August 1, 2017, receipts from the coal severance tax levied
4 under KRS 143.020 shall be transferred to the fund on an annual basis in
5 an amount not to exceed the lesser of:

6 a. Four percent (4%) of the total annual coal severance tax revenues
7 collected under KRS 143.020; or

8 b. The amount necessary to provide full funding for all students who
9 qualify for a scholarship under this section, considering all other
10 resources available.

11 2. Transfers required by subparagraph 1. of this paragraph shall be made as
12 follows:

13 a. On or before August 1 of each year, sixty-five percent (65%) of the
14 amount of funding provided for in this paragraph shall be
15 transferred to the fund; and

16 b. The remaining thirty-five percent (35%) shall be transferred on or
17 before December 1 of each year.

18 3. The amount transferred shall be based upon the prevailing revenue
19 estimate for coal severance tax receipts at the time each transfer is made.

20 (d) Any unallotted or unencumbered balances in the trust fund shall be invested as
21 provided in KRS 42.500(9).

22 (e) Income earned from the investments shall be credited to the trust fund.

23 (f) Notwithstanding KRS 45.229, any fund balance at the close of the fiscal year
24 shall not lapse but shall be transferred to the Osteopathic Medicine
25 Scholarship Program described in KRS 164.7891 within ninety (90) days of
26 the end of the fiscal year.

27 (g) All amounts included in the fund shall be continuously appropriated only for

1 the purposes specified in this section.

2 (h) A general statement that all continuing appropriations are repealed,
3 discontinued, or suspended shall not operate to repeal, discontinue, or suspend
4 this fund or to repeal this action.

5 (i) All moneys repaid to the authority under this section shall be added to the
6 fund.

7 ➔Section 13. KRS 164.7891 is amended to read as follows:

8 (1) It is the intent of the General Assembly to establish a scholarship program to
9 provide eligible Kentucky students the opportunity to attend an accredited
10 osteopathic school of medicine located in the Commonwealth and become certified
11 practitioners rendering medical service in the Commonwealth.

12 (2) The Kentucky Higher Education Assistance Authority may award scholarships, to
13 the extent funds are available for that purpose, to persons who declare an intent to
14 become osteopaths and practice in the Commonwealth and who are eligible under
15 subsection (4) of this section.

16 (3) The authority may award scholarships to students who meet the following criteria:

17 (a) Kentucky residents who are United States citizens as determined by the
18 institution in accordance with criteria established by the Council on
19 Postsecondary Education for the purposes of admission and tuition
20 assessment;

21 (b) Students who are enrolled or accepted for enrollment in an eligible program of
22 study accredited by the Bureau of Professional Education of the American
23 Osteopathy Association or its successor, on a full-time basis, or eligible
24 students who have a disability defined by Title II of the Americans with
25 Disabilities Act, 42 U.S.C. secs. 12131 et seq., certified by a licensed
26 physician to be unable to attend the eligible program of study full-time
27 because of the disability;

- 1 (c) Students who agree to render one (1) year of qualified service in the
2 Commonwealth for each year the scholarship was awarded. "Qualified

5 of family practice, general practice, general internal medicine, general
6 pediatrics, general obstetrics, or gynecology, except that an individual having
7 a disability defined by Title II of the Americans with Disabilities Act, 42
8 U.S.C. secs. 12131 et seq., whose disability, certified by another licensed
9 physician, prevents him or her from practicing full-time, shall be deemed to
10 perform qualified service by practicing the maximum time permitted by the
11 attending physician; and
- 12 (d) Students who sign a promissory note as evidence of the scholarship awarded
13 and the obligation to repay the scholarship amount or render medical service
14 as agreed in lieu of payment.
- 15 (4) The amount of the scholarship awarded to an eligible student by the authority shall
16 be equal to the difference between:
- 17 (a) The average of the prevailing amount charged for in-state tuition at the
18 University of Kentucky School of Medicine and the University of Louisville
19 School of Medicine; and
- 20 (b) The prevailing amount charged for tuition at the osteopathic school of
21 medicine in which the student is enrolled.
- 22 (5) The authority shall require a promissory note to be executed by the student as
23 evidence of the obligation. The recipient shall render one (1) year of qualified
24 service for each year the scholarship was awarded. Upon completion of each year of
25 qualified service, the authority shall cancel the appropriate number of promissory
26 notes. Promissory notes shall be canceled by qualified service in the order in which
27 the promissory notes were executed. Service credit shall not include residency

1 service. In the event a recipient fails to complete an eligible program of study, or
2 fails to render qualified medical service as a primary care physician as agreed in
3 subsection (3) of this section, the recipient shall be liable for the total repayment of
4 the sum of all outstanding promissory notes and accrued interest.

5 (6) A scholarship shall not be awarded or a promissory note cancellation shall not be
6 granted to any person who is in default on any obligation to the authority under any
7 program administered by the authority under KRS 164.740 to 164.785 until
8 financial obligations to the authority are satisfied, except that ineligibility for this
9 reason may be waived by the authority for cause.

10 (7) A repayment obligation imposed by this section shall not be voidable by reason of
11 the age of the recipient at the time of executing the promissory note.

12 (8) Failure to meet repayment obligations imposed by this section shall be cause for the
13 revocation of the scholarship recipient's license to practice medicine, subject to the
14 procedures set forth in KRS Chapter 311.

15 (9) Notwithstanding KRS 164.753(3), the authority shall establish by administrative
16 regulation procedures or the terms of promissory notes for the administration of this
17 program, including the execution of appropriate contracts and promissory notes,
18 cancellation of the obligation, the rate of repayment and deferment of repayment of
19 outstanding debt, and the priority of awarding scholarships if funds are insufficient
20 to honor all requests.

21 (10) Notwithstanding any other statute to the contrary, the maximum interest rate
22 applicable to repayment of a promissory note under this section shall be twelve
23 percent (12%) per annum, except that if a judgment is rendered to recover payment,
24 the judgment shall bear interest at the rate of five percent (5%) greater than the rate

27 special trust fund in the State Treasury administered by the Kentucky Higher

1 Education Assistance Authority for the purpose of providing funds for
2 scholarships to eligible students studying osteopathic medicine in schools in
3 the Commonwealth.

4 (b) Prior to August 1, 2017, funding shall be transferred to the special trust fund
5 from the coal severance tax revenues levied under KRS 143.020 in an amount
6 that permits each Kentucky resident eligible under subsection (3) of this
7 section to be awarded a scholarship in the amount established under
8 subsection (4) of this section. No more than four percent (4%) of the coal
9 severance tax revenues levied under KRS 143.020 and collected annually shall
10 be transferred to the trust fund. To the extent this appropriation and other
11 funds are available, the authority shall award scholarships to all renewal
12 applicants and eligible students in accordance with the formula for
13 determining the amount of the scholarship award established in this section.

14 (c) The trust fund may~~[-also]~~ receive state appropriations, gifts, and grants from
15 public and private sources, and federal funds. Any unallotted or
16 unencumbered balances in the trust fund shall be invested as provided in KRS
17 42.500(9). Income earned from the investments shall be credited to the trust
18 fund. Any fund balance at the close of the fiscal year shall not lapse but shall
19 be carried forward to the next fiscal year and continuously appropriated only
20 for the purposes specified in this section. A general statement that all
21 continuing appropriations are repealed, discontinued, or suspended shall not
22 operate to repeal, discontinue, or suspend this fund or to repeal this section.

23 (d) All moneys repaid to the authority under this section shall be added to the
24 appropriations made for purposes of this section, and the funds and
25 unobligated appropriations shall not lapse.

26 (12) On or before August 1 of each year, sixty-five percent (65%) of the amount of
27 funding provided in subsection (11)(b) of this section shall be transferred to the

1 special trust fund and the remaining thirty-five percent (35%) shall be transferred on
2 or before December 1 of each year. The revenue transfers shall be based upon the
3 revenue estimates prevailing at the time each transfer is due.

4 ➔Section 14. The following KRS section is repealed:
